Board of Directors,

BC Geocaching Association

As volunteer Returning Officer for the 2015 BC Geocaching Association for 2015, the following duties were undertaken:

- I received nominations from members and confirmed acceptance with the nominees.
- I posted these nominations on the BCGA website and encouraged nominees to make relevant statements.
- Prior to the start of the election, I went into the secure online voting system and changed the password to the administrative functions of the simplyvoting system. The password was known only to me throughout the process of the entire election.
- At the end of the voting timeline, I reviewed the electors list, the voting results and the final report by SimplyVoting.

From this review I can verify that the results were securely managed to the best of my knowledge and that the results are accurate. I have enclosed the report herein.

Yours sincerely,
